

# Ranger's Checklist of Tasks

## *Dig It! - Exploring Rocks and Minerals*

- 1. Have you found gabbro?
- 2. Backpack ready? Have you checked the sites for tools and equipment?
- 3. Have you researched the rock cycle and the three types of rock?

- 4. Graphic organizer “three types of Rock” completed?

- 5. Researched what tools are needed for mineral testing?
- 6. Repacked your backpack with 6 mineral tools?
- 7. Have you researched minerals and the field tests required to identify them?
- 8. Mineral profile sheet completed for 3 selected minerals?

- 9. Have you designed a page for the 5th grade mineral reference book?

- 10. Did you complete an autobiography for a rock person?

- 11. Your 3-d rock person has been created?

Nice work, Rockhound! You have completed your *Dig It* assignments and are heading toward Ranger status.
